Introduction

What does it mean to go deeper together? It means we choose each other. We choose to enter into community: to share, to live, to connect in ways that deepen our connection as God’s people. Through this listing of shared community, we invite each other into this relationship.

Especially during Lent, we hope you take the journey through the sacred 40-days that lead to Easter. We will provide resources to help with your spiritual journey.

This winter and spring you will find many opportunities for education, spiritual formation, learning from visiting scholars, as well as reaching out to partner with our community, involving yourself with our youth and children, and seeking the support you need through care ministries.

We are convinced that we are better together at St. Andrew, and we will continue to live out this vision of a united community as we seek the least, the last and the lost. Find your place of connection here, and invite others to do the same.

Blessings on your journey,

Rev. Annie Arnoldy
Pastor of Discipleship
