Life at St. Andrew

There are many ways to connect to life at St. Andrew. Find more at gostandrew.com

01 Pastoral Care and Prayers

Email: Care@gostandrew.com for care and prayers. Our sympathy is with Jane Watson on the death of her sister, Patricia; and Carter Jones on the death of his brother.

02 Marshall Fire

Colorado Emergency Management reached out directly to St Andrew requesting we help victims with items they need for their new kitchens – basic items that are often overlooked. In addition to our other efforts, we will focus the next couple of weeks assembling “Kitchen in a Box” kits and we need your help. Email outreach@gostandrew.com to get involved. Please continue to check our website for the most current and up to date information at www.gostandrew.com/outreach. Thank you in advance, St. Andrew, for meeting this need.

03 Good Grief

Grief groups begin January 24, 5:30 – 7:00 and meet weekly until March 7. These are supportive groups for kids to explore feelings of grief with their peers following a family loss due to divorce, separation, or death. For details and registration go to gostandrew.com/good-grief-registration
