Dear St. Andrew Family and Friends,

Welcome to our fifth annual Big Serve Weekend!

Over the last four years, more than 3,750 members and friends of St. Andrew have participated in over 150 outreach projects in the Denver metro area. We had nearly 1,200 last year alone. This year, we anticipate that even more will sign up for another inspiring opportunity to serve our community.

While several of our projects will be off-site, we've also provided opportunities for you to serve on campus, and many of our projects are multi-generational so your whole family can serve together. Regardless of your age or ability, we have a service project for you.

The Big Serve is about getting out of the pews and into the world. It's about being the church in those places where we live, work and play. It's about loving our neighbors and serving the common good over one incredibly inspiring weekend.

Will you join us once again as we become the hands and feet of Christ in our community?

Yours in Christ,

Rev. Mark

Registration kicks off at our Partner Fair on April 7 and continues through May 7. There are two ways to register:
